

HIV/AIDS AND CHILDBEARING BEHAVIOR, 2009
COMMUNITY SURVEY QUESTIONNAIRE

CODE OF ENUMERATION AREA N_IDEN __ __		SUPERVISOR __	DATE _____
VILLAGE OR BAIRRO NAME _____		LOCALITY _____	
ADMINISTRATIVE POST _____		DISTRICT _____	
Village (bairro) community center coordinates	N_LATITUDE __ __ . __ __ __ __ __	N_PONTO __ __ __	ELEVATION __ __ __ meters
SOURCE OF INFORMATION:	A. Village administration B. Traditional authority C. Health personnel D. Traditional healer E. Religious leader F. Other source (esp.) _____	A. 1.Yes 2.No B. 1.Yes 2.No C. 1.Yes 2.No D. 1.Yes 2.No E. 1.Yes 2.No F. 1.Yes 2.No	

ATTENTION: THE TERM "VILLAGE" IN THIS QUESTIONNAIRE REFERS TO "BAIRRO" WHERE APPROPRIATE.

GENERAL CHARACTERISTICS

QUESTION	ANSWER
N1. What is an approximate size of the total present population (including children) of the village?	__ __ __ __ __
N2. What is an approximate number of households in the village (those who usually share meals)?	__ __ __ __
N3. If we compare the current size of this village's present population with its size right after the Big Floods of 2000, has the population grown a lot, grown a little, remained the same, or diminished?	1. Has grown a lot 2. Has grown a little 3. Has remained the same 4. Has diminished
N3a. And if we compare the current size of this village's present population with its size <u>three years ago</u> , has the population grown a lot, grown a little, remained the same, or diminished?	1. Has grown a lot 2. Has grown a little 3. Has remained the same 4. Has diminished
N4. Does the village have a chief (<i>régulo</i>) or another type of traditional authority?	1. Yes 2. No
N5. What is the most spoken language in the village?	1. Changana 2. Chope 3. Changana and Chope in equal measure
N6. On average, what is the size of the <u>monetary</u> share of the bridewealth in the village?	__ __ __ __ __ MT

N6a. On average, how many cows does the bridewealth for the first marriage include?		0. None 1. One 2. Two 3. Three or more				
N7. Approximately what share of married men in this village has more than one spouse?	1. Almost none	2. Some (~25%)	3. Half	4. Many (~75%)	5. Almost all	

N8. Approximately, what is the average distance between household compounds in this village?	1. Less de 100 meters 2. 100-200 meters 3. 300-400 meters 4. 500 meters or more				
N9. More or less, how many minutes one has to walk from the community center (<i>círculo</i>) of the village to an asphalted road?	_ _ _ minutes 666. More than 10 hours				
N10. Approximately at what distance is the village community center from... A. The <u>nearest</u> city or District headquarters? B. The headquarters of the Administrative Post? C. The headquarters (<i>sede</i>) of this locality? D. The <i>círculo</i> of the nearest village?	A. Distance in KM _ _ _ B. Distance in KM _ _ _ C. Distance in KM _ _ _ D. Distance in KM _ _ _				
N11. More or less how much does a <i>chapa</i> [private minibús, etc. with a fixed route] or bus ride from this village to the <u>nearest</u> city or district headquarters cost?	_ _ _ MT 95. There is no <i>chapa</i> or bus going there				
N12. In rainy season, is it easy to get to this village from the <u>nearest</u> city or District headquarters in a regular car, a 4X4, or even with a 4X4 it is difficult to get here?	1. It is easy to get here with a normal car. 2. It is easy to get here only with 4X4 3. Not even with a 4X4 it is easy to get here.				
N13. What are three most important agricultural crops that are grown in the fields of the village residents (in order of importance)? WRITE THE CODE FROM THE LIST BELOW. IF IT IS "96", WRITE IN THE NAME OF THE CROP.	A. _ _ _ B. _ _ _ C. _ _ _				

CODES OF CROPS AND AGRICULTURAL PRODUCTS

1. Corn; 2. Manioc; 3. Rice; 4. Sugar cane; 5. Nhemba beans; 6. Peanuts; 7. Sweet potato; 8. Cacana; 9. Vegetables (tomato, onion, pumpkin, etc.); 10. Cashew nuts; 11. Mango; 12. Mafura; 13. Coconut; 14. Banana; 15. Pineapple; 16. Orange; 17. Tangerine; 18. Maracujá; 19. Tobacco; 20. Honey; 30. Cattle; 31. Other animals; 32. Poultry; 35. Fish; 40. Firewood/charcoal; 96. Other

N14. More or less, what share of village households have the following types of animals?	Almost none	Some (~25%)	Half	Many (~75%)	Almost all
A. Cattle	1	2	3	4	5
B. Goats	1	2	3	4	5
C. Sheep	1	2	3	4	5
D. Pigs	1	2	3	4	5

<p>N15. What are the three <u>crops or agricultural products</u>, including fish and firewood/charcoal whose <u>commercialization</u> brings most income to the population (in order or importance)? ANOTE O CÓDIGO DA LISTA ABAIXO. SE É "96", ANOTE A CULTURA OU PRODUTO.</p>	<p>A. __ __ </p> <p>B. __ __ </p> <p>C. __ __ </p>
---	--

<p>N16. More or less, what is the average size of cultivated land that <u>each</u> household possesses?</p>	<p>A. __ __ HECTARES or</p> <p>B. __ __ Soccer camps</p>
--	--

<p>N17. In your opinion, which of the following best describes the availability of land for cultivation in your village?</p> <ol style="list-style-type: none"> 1. There is extra land for all who want and can cultivate it. 2. Every household has enough land but there is no extra land. 3. Some households do not have enough land. 4. The majority of households do not have enough land. 	
--	--

<p>N18. More or less, what share of the village households in this village is occupied in...</p> <p>A. Fishing?</p> <p>B. Hunting?</p> <p>C. Crafts (baskets, pots making, etc.)?</p>	<table border="1"> <thead> <tr> <th></th> <th>Almost none</th> <th>Some (~25%)</th> <th>Half</th> <th>Many (~75%)</th> <th>Almost all</th> </tr> </thead> <tbody> <tr> <td>A</td> <td>1</td> <td>2</td> <td>3</td> <td>4</td> <td>5</td> </tr> <tr> <td>B</td> <td>1</td> <td>2</td> <td>3</td> <td>4</td> <td>5</td> </tr> <tr> <td>C</td> <td>1</td> <td>2</td> <td>3</td> <td>4</td> <td>5</td> </tr> </tbody> </table>		Almost none	Some (~25%)	Half	Many (~75%)	Almost all	A	1	2	3	4	5	B	1	2	3	4	5	C	1	2	3	4	5

E	1	2	3	4	5																																

<p>N20a. What share of households in this village pay for water?</p>	<table border="1"> <thead> <tr> <th></th> <th>Almost none</th> <th>Some (~25%)</th> <th>Half</th> <th>Many (~75%)</th> <th>Almost all</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> </tbody> </table>		Almost none	Some (~25%)	Half	Many (~75%)	Almost all						
	Almost none	Some (~25%)	Half	Many (~75%)	Almost all								

N21. More or less, what share of households has the following:	Almost none	Some (~25%)	Half	Many (~75%)	Almost all
A. Radio?	A 1	2	3	4	5
B. Bicycle?	B 1	2	3	4	5
C. Motorcycle?	C 1	2	3	4	5
D. Automobile?	D 1	2	3	4	5
E. Improved latrine?	E 1	2	3	4	5
F. Electricity from grid?	F 1	2	3	4	5
G. Electric generator, battery or solar panel?	G 1	2	3	4	5
H. Plow?	H 1	2	3	4	5

N22. How many radio stations can be listened to well in the village ...	
A. In Changana or other national language?	A. _ _ _
B. In Portuguese?	B. _ _ _

N23. Does the village have good cellular phone network coverage, bad coverage, or no coverage at all?	1. Good 2. Bad 3. No network coverage
---	---

N24. More or less, what share of households has cellular phones?	1. Almost none	2. Some (~25%)	3. Half	4. Many (~75%)	5. Almost all
--	----------------	----------------	---------	----------------	---------------

N25. How many TV channels have good reception in the village (without a parabolic antenna)?	_ IF "0", GO TO → N27
---	------------------------

N26. More or less, what share of village households has a TV set?	1. Almost none	2. Some (~25%)	3. Half	4. Many (~75%)	5. Almost all
---	----------------	----------------	---------	----------------	---------------

N27. Is there a school in the village or the radius of one hour walk?	1. Yes 2. No → N29
---	-----------------------

N28. Until what grade does that school go?	_ _
--	-----

N29. In the village and the radius of one-hour walk is there ...	
A. General store?	A 1. Yes 2. No
B. Market?	B 1. Yes 2. No
C. Police post?	C 1. Yes 2. No
D. Sports field?	D 1. Yes 2. No

<p>N30. In the village and the radius of one-hour walk how many of the following churches exist?</p> <p>A. Roman Catholic B. Presbyterian C. Methodist D. Anglican E. Zionist (Sião) or pentecostal F. Apostolic (e.g., Velhos, Novos, 12) G. Assembly of God H. Universal Church I. Islam J. Other.....</p>	<p>A. ____ Number B. ____ Number C. ____ Number D. ____ Number E. ____ Number F. ____ Number H. ____ Number I. ____ Number J. ____ Number</p>
<p>N31. In the village, are there any <u>functioning</u> ...:</p> <p>A. Cooperative? B. Women's organization? C. Youth organization? D. Dance or cultural organization? E. Organization providing domestic care to the sick? F. A soccer team?</p>	<p>A. 1. Yes 2. No B. 1. Yes 2. No C. 1. Yes 2. No D. 1. Yes 2. No E. 1. Yes 2. No F. 1. Yes 2. No</p>
<p>N32. Since the beginning of the year, did the village residents carry or one or some collective activities for the benefit of the entire village (e.g., cleaning, road repair, digging a well, etc.)?</p>	<p>1. Yes, one activity 2. Yes, several activities 3. Did not do anything → N34</p>

<p>N33. What were those activities?</p> <p>WRITE DOWN THREE MOST RECENT ACTIVITIES.</p>	<p>A. _ B. _ C. _ </p>
---	--

<p>N34. Do the village residents have a <u>permanent</u> fund for help with expenses related with village residents' funeral expenses, or do they not have any fund but contribute when funerals happen, or do they neither have a fund nor contribute toward funerals?</p>	<p>1. Have a permanent fund 2. Only contribute when there is a funeral 3. Neither have a fund nor contribute</p>
---	--

MIGRATION

<p>N35. More or less, what share of <u>single</u> men (18 years or older) of this village is now working in South Africa?</p>	<p>1. Almost none 2. Some (~25%) 3. Half 4. Many (~75%) 5. Almost all</p>
<p>N36. More or less, what share of <u>married</u> men (excluding the old) of this village is now working in South Africa?</p>	<p>1. Almost none 2. Some (~25%) 3. Half 4. Many (~75%) 5. Almost all</p>
<p>N37. More or less, what share of single men (18 years or older) of this village is now working in Maputo, Xai-Xai, or other parts of Mozambique?</p>	<p>1. Almost none 2. Some (~25%) 3. Half 4. Many (~75%) 5. Almost all</p>
<p>N38. More or less, what share of <u>married</u> men (excluding the old) of this village is now working in Maputo, Xai-Xai, or other parts of Mozambique?</p>	<p>1. Almost none 2. Some (~25%) 3. Half 4. Many (~75%) 5. Almost all</p>

<p>N39. In your opinion, in the past 10 years, did the number of <u>single</u> men (18 years or older) of this village working in South Africa increase, decrease, or remained more or less the same?</p>	<ol style="list-style-type: none"> 1. Increased 2. Decreased 3. Remained the same
<p>N40. In your opinion, in the past 10 years, did the number of <u>married</u> men (excluding the old) of this village working in South Africa increase, decrease, or remained more or less the same?</p>	<ol style="list-style-type: none"> 1. Increased 2. Decreased 3. Remained the same
<p>N40a. In your opinion, last year (since they began mistreating foreign workers in South Africa) did the number of men, married or single, of this village working in South Africa decreased a lot, decreased a little, increased, or remained more or less the same?</p>	<ol style="list-style-type: none"> 1. Decreased a lot 2. Decreased a little 3. Increased 4. Remained the same
<p>N41. Now, I want to ask about <u>single</u> men (18 years or older) of the village who are working in Maputo, Xai-Xai, or other parts of Mozambique. In your opinion, in the past 10 years, did the number of those men increase, decrease, or remained more or less the same?</p>	<ol style="list-style-type: none"> 1. Increased 2. Decreased 3. Remained the same
<p>N42. In your opinion, in the past 10 years, did the number of <u>married</u> men (excluding the old) of this village working in Maputo, Xai-Xai, or other parts of Mozambique increase, decrease, or remained more or less the same?</p>	<ol style="list-style-type: none"> 1. Increased 2. Decreased 3. Remained the same
<p>N43. In your opinion, is it very common or not very common for a <u>married</u> woman of this village to...</p> <p>A. Go out of the village to do commerce?</p> <p>B. Get permanent employment in the city or town?</p> <p>C. Get temporary employment in road and bridge construction?</p>	<p>A. 1. Very common 2. Not common 3. Never</p> <p>B. 1. Very common 2. Not common 3. Never</p> <p>C. 1. Very common 2. Not common 3. Never</p>

HEALTH (THIS INFORMATION SHOULD BE OBTAINED PREFERABLY FROM A HEALTH OFFICIAL OF THE VILLAGE)

<p>N44. What type of health facility is functioning in the village and the radius of one-hour walk from it?</p> <p>IF MORE THAN ONE, RECORD THE BIGGEST.</p>	<ol style="list-style-type: none"> 1. Hospital/Health Center 2. Health Post 3. First Aid Post 4. None →→ N47
<p>N44a. What is the name of that facility?</p> <p>WRITE THE FULL NAME OF THE HEALTH UNIT</p>	<p>..... _ _ _ </p>
<p>N45. What is the highest level of medical personnel does that the unit has?</p>	<ol style="list-style-type: none"> 1. Physician, nurse or health technician 2. Other trained personnel 3. Personnel with no formal training
<p>N46. Does that unit offer family planning services?</p>	<ol style="list-style-type: none"> 1. Yes → N49 2. No → N48

N47. At what distance is the nearest health unit located?	_ _ _ _ Approximate distance in KM
N47a. What is the name of that facility? WRITE THE FULL NAME OF THE HEALTH UNIT _ _ _
N47b. How long does it take to get from the village <i>círculo</i> to that health unit by <u>car</u> ?	_ Hours _ _ _ Minutes
N47c. How much is the <i>chapa</i> fare to that health unit (one way)?	_ _ _ _ MT 95. There is no <i>chapa</i> that goes there
N47d. Does that unit offer family planning services?	1. Yes → N49 2. No
N48. At what distance is the nearest health unit that offers family planning services located?	_ _ _ _ Approximate distance in KM 98. Doesn't know
N48a. What is the name of that facility? WRITE THE FULL NAME OF THE HEALTH UNIT _ _ _
N48b. How long does it take to get from the village <i>círculo</i> to that health unit by car?	_ Hours _ _ _ Minutes
48c. How much is the <i>chapa</i> fare to that health unit (one way)?	_ _ _ _ MT 95. There is no <i>chapa</i> that goes there

N49. In your opinion, what share of the village children has received all the immunizations required for their age?	1. Almost none 2. Some (~25%) 3. Half 4. Many (~75%) 5. Almost all
N50. In your opinion, what share of child deliveries in the village takes place in a health unit?	1. Almost none 2. Some (~25%) 3. Half 4. Many (~75%) 5. Almost all

N50a. What is the name of the nearest health unit that has a maternity ward? WRITE THE FULL NAME OF THE HEALTH UNIT _ _ _
--	--------------

N51. In your opinion, what are the three most important health problems (in order of importance) that affect <u>children</u> of this village? ENTER THE CODE FROM THE LIST BELOW. IF IT IS "9", WRITE IN THE PROBLEM	A. _ B. _ C. _
N52. In your opinion, what are the three most important health problems (in order of importance) that affect <u>adults</u> of this village? ENTER THE CODE FROM THE LIST BELOW. IF IT IS "9", WRITE IN THE PROBLEM	A. _ B. _ C. _

HEALTH PROBLEMS CODES

1. Malaria; 2. Tuberculosis; 3. High blood pressure, cardiovascular diseases; 4. Respiratory diseases; 5. Cancer and other tumors; 6. Intestinal and diarrheal diseases; 7. AIDS; 8. Other sexually transmitted diseases; 9. Other _____

N53. How many <i>nyanga-nyamussoros</i> healers (those who use spirits) live in this village or in the radius of one-hour walk?	_ _ Number
N54. How many <i>nyanga-rhumes</i> healers (those who use only leaves and roots) live in this village or in the radius of one-hour walk?	_ _ Number

AIDS (THIS INFORMATION SHOULD BE OBTAINED PREFERABLY FROM A HEALTH OFFICIAL OF THE VILLAGE)

N55. In the past 12 months, how many <i>palestras</i> [lectures] or other activities related to matters of HIV/AIDS took place in the village?	0. None → N57 _____ Number of activities
N56. Who organized those <i>palestras</i> or activities? A. Village administration B. Health workers C. Churches/Religious Organizations D. Other NGOs E. Other _____	A 1. Yes 2. No B 1. Yes 2. No C 1. Yes 2. No D 1. Yes 2. No E 1. Yes 2. No

N57. In your opinion, what share of the village's <u>adult women</u> (between ages 18-50) already did an HIV test?	1. Almost none	2. Some (~25%)	3. Half	4. Many (~75%)	5. Almost all
N58. In your opinion, what share of the village's <u>adult men</u> (between ages 18-50) already did an HIV test?	1. Almost none	2. Some (~25%)	3. Half	4. Many (~75%)	5. Almost all

N59. How many <u>female residents (18 and older)</u> of the village died since the beginning of 2008 (last year and a half)?	0. None → N61 _ _ Approximate number
N60. From what <u>you know or think</u> , how many of those women died of AIDS or probably of AIDS?	_ _ Approximate number

N61. How many <u>male residents (18 and older)</u> of the village died since the beginning of 2008 (last year and a half)?	0. None → N64 _ _ Approximate number
N62. From what <u>you know or think</u> , how many male residents of the village already died of AIDS or probably died of AIDS?	0. None died of AIDS → N64 _ _ Approximate number
N63. Of those men, how many had worked in South Africa or somewhere else outside the village?	_ _ Approximate number

N64. From what <u>you know or think</u> , how many female residents of the village are now sick with AIDS or probably with AIDS? <u>I do not need to know any names.</u>	0. Does not know of any woman sick with AIDS _ _ Approximate number
N65. From what <u>you know or think</u> , how many male residents of the village are now sick with AIDS or probably with AIDS? <u>I do not need to know any names.</u>	0. Does not know of any man sick with AIDS → N67 _ _ Approximate number
N66. Of those men, how many are those who worked in South Africa or somewhere else outside the village?	_ _ Approximate number

<p>N67. From what <u>you know or think</u>, how many of the village residents who now have AIDS or possibly have AIDS are receiving antiretroviral treatment (to treat AIDS)? <i>Don't count those who are receiving PMTCT.</i></p>	<p>__ __ Approximate number</p>
---	----------------------------------

<p>N68. From what <u>you know or think</u>, what share of the seropositive pregnant women in the village are now receiving treatment to prevent the infection of their babies with the AIDS virus (PMTCT treatment)?</p>	<p>1. Almost none</p>	<p>2. Some (~25%)</p>	<p>3. Half</p>	<p>4. Many (~75%)</p>	<p>8. Doesn't know</p>
--	-----------------------	-----------------------	----------------	-----------------------	------------------------

<p>N68a. From what <u>you know or think</u>, how many of the seropositive pregnant women in the village are now receiving treatment to prevent the infection of their babies with the AIDS virus (PMTCT)?</p>	<p>__ __ Approximate number</p>
---	----------------------------------

<p>N69. Where is the closest place where one can get condoms?</p>	<p>1. Here in the village 2. Other part of same locality 3. Other neighboring rural locality 4. District headquarters/city</p>
---	--

<p>N70. What is the name of the nearest health unit where an HIV test can be done? WRITE THE FULL NAME OF THE HEALTH UNIT</p>	<p>..... __ __ </p>
---	----------------------

<p>N71. What is the name of the nearest health unit that does CD4 count analysis (i.e., blood analysis to determine if a seropositive person requires antiretroviral treatment)? WRITE THE FULL NAME OF THE HEALTH UNIT</p>	<p>..... __ __ </p>
---	----------------------

<p>N72. What is the name of the nearest health unit that offers antiretroviral treatment (ART)? WRITE THE FULL NAME OF THE HEALTH UNIT</p>	<p>..... __ __ </p>
--	----------------------

<p>N73. What is the name of the nearest health unit that offers prevention of mother-to-child transmission (PMTCT) for pregnant women? WRITE THE FULL NAME OF THE HEALTH UNIT</p>	<p>..... __ __ </p>
---	----------------------

<p>N74. Is there in the village a group or organization of volunteers who offer counseling or support to seropositive residents?</p>	<p>1. Yes 2. No</p>
--	-------------------------

<p>N75. What specifically do those volunteer do?</p>	<p>.....</p>
--	--

These are all the questions that I wanted to ask you today. Would you like to ask me any questions?

IF YOU CANNOT ANSWER ANY OF THE QUESTIONS, SUGGEST THAT SHE/HE CONTACT THE PROJECT'S CO-DIRECTORS, DR. CARLOS ARNALDO, TEL. 823058470, OR DR. VICTOR XIGADZANA, TEL. 825777047.

Thank you very much!

OBSERVATIONS AND COMMENTS:
